10 m LED strip

Part nr: 156170

EAN: 7090049800054

Product information

Great tool for all craftsmen! 10 meters of powerful LED strip that is easily pulled out from the roller and connected directly into the wall socket. Perfect when light is needed from multiple angles. The ultra-flexible LED strip can be mounted or placed wherever needed. With a total of 7,000 lumens, you have more than enough light for most tasks. The roller is easy to hold and takes a minimal amount of space.

Specifications
