

# Powerflex 1500

Part nr: 153128

EAN: 7090049800122

## Product information

25 meters of powerful LED strip that connects directly to 230V. Each reel has 4.500 high-performance LED chips distributed throughout, providing a smooth work light over the entire length. Well suited for both outdoor and indoor use. Space-saving and flexible!

## Specifications

|                           |   |
|---------------------------|---|
| Voltage                   | 220-240V  |
| Length                    | 25 meters   |
| Max interconnected length | 50 meters   |
| Width x Height            | 17mm x 7mm  |
| Brightness                | 1500lm/m  |
| Power                     | 350W - 14W/m  |
| Colour temperature        | 3000K   |
| Beam angle                | 120°  |
| IP class                  | IP65  |
| Ambient temperature       | -25°c to +45°c  |
| LED type, quantity        | SMD2835, 180LED/m   |
| Lifetime                  | 30.000 hours (L70)  |
| Dimmable                  | Yes   |
| Measurements              | 32x26x39 cm   |
| Gross weight              | 7 kg  |
| Certificates              | CE, RoHS, Nemko, Semko                                      |
| <b>Warning</b>            | Please remove the entire LED strip from the drum before use |

Used electrical and electronic products, including all types of batteries, must be delivered for recycling at a separate collection point. (acc. to directive 2012/19/EU and 2006/66/EC).
