# 5M EMERGENCY LED-strip, Red

Art nr: 155076 ENG

## Product information

### 5M EMERGENCY LED-strip, Red

Powerful, red light for marking installations.

Red LED light is an effective way to mark electrical installations.

Easily mounted on the wall, around installations, floor or ceiling. Can be connected to both SafeLight and M-Flex.

The LED strip provides an even, distinct light over the entire length. Space-saving and flexible!

- Perfect for giving attention to electrical installations.
- Suitable for both indoor and outdoor use.

Promitto CONNECT

One Compatible System for LED Strips, Floodlights, and Emergency Lighting
